On 16 February 1964 Informant said reported the following: Informant is concerning "One G. SIEBERER, a personality of intelligence interests, St. Pergau, Salzburg, and Salzburg, Austria. Informant stated that SUBJECT in the near future will set up a travel agency. Reicobauer attempts at Salzburgerstrasse 30, Salzburg, coincide with Richard Kiefer-Klitt, well-known former German intelligence agent. The agency will allegedly also serve as a cover for certain types of intelligence activities.

On 16 January, 1944, a flight left Salzburg for Milan, Italy, where he is allegedly attempting to procure quantities of iron and steel scrap for Jewish persons, alleged auto and truck, Jewish Barronstrasse 28, Salzburg, and Fritz Gruen, a known Hitlerite Nazi-Nazi traitor, Salzburg. He is allegedly returning with the scrap to the USA, unaccompanied by anyone, and is enroute to Berlin, Germany.

On November 14, 1942, he allegedly attempted to contact ex-Minister of War, General M. N. Tukhachevsky, in Cairo, Egypt, and the latter spent several days at Mectorah, land owned by Tukhachevsky, before the latter flew to Ankara, Turkey. According to the information, Tukhachevsky had not yet a personal introduction to General N. S. KUZNETSOV, who was World War II German naval intelligence agent, and legend has it, to offer the services of a group of former GPU agents, formerly associated with ex-late Admiral S. G. Gorshkov, ex-time captain of the Russian submarine "Baltic" present to Germany in Egypt after the end of World War II. A number of rumors are circulating, however, that Tukhachevsky is a double agent and is trying to join the group.
